

Orchestra Novo Summer Strings Music Academy 2020

Music • Summer • Fun • New Friends

Join us for a challenging and fun opportunity for committed music students to grow as musicians and artists and to play with outstanding fellow string players.

Music students from San Luis Obispo County and across the country meet up for a week-long, immersive, overnight summer camp experience on the Central Coast. This is an extraordinary opportunity to deepen your musicianship, make friends, and have lots of fun on the Central Coast!

Our week will be comprised of full string orchestra rehearsals, chamber groups, sectionals and a culminating concert. Individual coaching opportunities will be made available. There will be time for social activities, outdoor games, and plenty of time to enjoy the camp's natural surroundings.
